PRINCIPAL’S REPORT

SPRING FAIR

Thank you so much to all of our families for supporting the 2015 Spring Fair. It was a fantastic morning with beautiful weather and plenty of fun for all. The array of stalls and activities was of a high standard again this year and we have had plenty of positive feedback from our school community. Your assistance has contributed to raising just over $21,000 in profit, contributing to the improvement of our school facilities and resources for our students. Our families have been very generous in donating hundreds of items for the fair and our community has also been integral to the success of this event with thousands of dollars of donations for prizes. Thank you to all families, community members and staff members who helped make sure the Spring Fair was another success. Thank you also to Meredith Mason, Angie Marian, Nicki Bullock and Minna Berry for the countless hours that you invested for the Spring Fair.

2016 PREP INFORMATION SESSIONS AND OPEN DAYS

We have already started taking Prep enrolments for the 2016 school year. Enrolment packages can be collected from the school office and early enrolment helps us with planning for the 2016 school year. We encourage you to complete your enrolment information as soon as possible.

Prep information sessions have been over the past two terms with the following events still to occur prior to the end of the school year:

- Individual tours of the school by appointment – 5335 8888
- Prep Open Session in classes – Monday, 19th October from 10am – 11am
- Prep Information Session – Wednesday, 21st October from 9:30am
- Flying Start Scan for 2016 Prep enrolments – Friday, 13th November. Please contact the office to arrange an appointment time for this.

In the coming weeks, we will complete the process of developing class lists for 2016. This process is always predicted for the beginning of the school year and confirmed on the eighth day of the new school year. To ensure, we are able to plan as accurately as possible, families are asked to assist with the following:

- Letting any families know, who are intending to have students enrol in any P-6 year level, to submit an enrolment form at the school office
- Letting the office staff know of any students who are transferring to other schools in 2016
- Letting the office staff know of any students who will not be present from the beginning of the school year
(eg. for holidays). It is crucial that we know of all students who will be returning, but may be away at the beginning of the school year as they are also counted in our total enrolment and will contribute to maximising the number of teachers we are entitled to. This in turn, reduces the ratio of teachers to students across the school.

If parents have any specific requests regarding their child’s placement for 2016, please complete the attached request form and return to the school office by Friday 30 October. Parents are not able to request a specific teacher for their child. Students will be informed of their 2016 class in the final week of the school year.

2016 SCHOOL LEADERS

Throughout this term, our Year 5 students have the opportunity to be part of the 2016 Student Leader selection process. Tewantin State School has a rigorous process to select students into leadership positions due to the importance of the various roles. This process includes a written application, shortlisting by teachers and members of administration, interviews with a panel of staff members, presentation of a speech to all Year 5 students as well as voting by Year 5 students. Year 5 students will be provided with further information and timelines in the next couple of weeks with all 2016 Student Leaders to be presented with their badges on Monday 7 December.

FLASHING SCHOOL ZONE SIGN

We have been notified by the Minister for Main Roads that Tewantin State School will be receiving flashing school zone signs on Cullinane Street and Poinciana Avenue as part of the 2015-16 flashing school zone sign program.

The installation of the signs will improve the visibility of the school zone and serve as an active reminder for motorists to slow down when children are about.

GREAT EFFORT

Congratulations to all students for your efforts in class during third term. It is pleasing to visit all classrooms from Prep to Year 6 during the term and see how well-engaged our students are in their learning. This effort leads to higher achievement and improvement of literacy and numeracy skills. Thank you to our teachers and teacher aides, who are highly committed to our students’ improvement, for your hard work during this term. Thank you also to our parents and caregivers for supporting your children from home. A strong partnership between home and school is also a key factor in student progress with their learning.

ICAS TESTING (International Competitions and Assessments for Schools)

Recently, students from Tewantin State School participated in the international spelling, maths, English, writing, science and digital technologies competitions. Thousands of students across Australia and neighbouring countries are involved in this competition and congratulations must go to all students who participated. A special mention must go to the achievements of the following students:

TREE PLANTING DAY

Next Wednesday the 21st of October the Prep classes with the assistance of some of the senior classes will take part in the annual Tree Planting Day. During the middle session next Wednesday each child in Prep will plant a native tree, shrub or ground cover in the school grounds. Two gardens have been cleared and prepared for planting, near one of the Prep building which will be planted by PH and PDE and PK will be planting in existing gardens along the school fence line. This program allows each child to be able to watch their plant grow throughout their schooling years. In the next newsletter we will include photos from the day.

TERM 4 SWIMMING

I am pleased to announce that Grant and Natasha Baker were the successful applicants in our recent pool tender process. Grant and Natasha have been awarded a 12 month lease to operate the pool. We look forward to our continued partnership as well as a great term of swimming ahead for our students. Thank you to all families who have paid for Term 4 swimming.
TERM 4 INVOICES

There are a number of excursions and incursions, as well as weekly swimming that will occur in Term 4. A number of invoices were issued for these activities before the holidays. Please arrange payment prior to each activity so that your child is able to participate. Students who have not paid for these activities, will be unable to participate. If you require any financial assistance, please let us know through the school office.

STAFFING CHANGES

Please be aware of the following staff changes in the coming weeks:

Term 4

- Ms Belinda Messenger is on leave until 6 November, 2015 and Ms Minna Berry will be her replacement during this time and Ms Berry will be replaced by Mrs Caroline Richardson
- Mrs Heidi Reitsma will be on leave from Monday the 19 October until 26 October and is being replaced by Linda Bishop
- Dr Denise Patton-King (Guidance Officer) will be on leave from 2 November until 11 December, replacement TBA
- Mr John Beaufoy will be on leave from 2nd November until the 12th November and will be replaced by Mr Ivor Moulds
- Miss Fran Van Londersloot will be on leave from 30 November until 11 December, replacement TBA
- Mr Lucas Bold will be on leave during the last week of the year from December 7 until the 11th and will be replaced by Mrs Lesley Whitehouse

LEARNING AWARDS

Each week on parade, our selected students are presented with Learning Awards for showing effective learning skills in the classroom. This year, our students who receive learning awards display the following skills:

- Trying their best at all classroom activities, no matter what their ability with those activities are
- Ensuring everyone else in the classroom is learning by displaying appropriate behavior
- Letting the teacher know if something is challenging and more assistance is needed
- Helping other students who may need assistance with their learning

Students who have been presented with learning awards since the last newsletter include:

PDE - Oscar Ritson
PH1 - Madison Tedford
PK1 - Scarlett Vaughan-Wheeler
1M1 – Hunter McDonald
1OR – Maddy Schats
1PM – Oscar Black
1W1 - Matilda Dyer

2G1 – Noah Sue See
2M1 – Jack Price
2V1 – Mia Welsh
3/2ER – Leo Keith
3B1 – Isabella (surname withheld)
3D1 – Callum Rogers
3J1 – Josephine Mecklem

PARADES

During Term 4 parades will continue each Monday afternoon from 2pm until 2:30pm for all Prep to Year 6 students in the school hall. Most weeks will see class performances, a School Wide Positive Behaviour Support item as well as the recognition of various students. All parents are welcome and encouraged to attend. Although a schedule is outlined below for parade items taking place this term, it is best to keep in contact with your child’s teacher to confirm this as sometimes dates can be altered for a range of reasons:

**LIFE EDUCATION**

Life Education was established 36 years ago and has helped more than 5 million young Australians to make healthy and safe choices. The program teaches children ways to keep their bodies healthy and to equip them with the skills to make appropriate choices and a way of learning to stay secure in potentially unsafe situations.

It remains a not-for-profit organisation, which operates in close partnership with our local schools and communities and relies on student fees and local community funding to meet costs and that’s where Bendigo Bank has helped to subsidize the program.

Through its sponsorship, the Tewantin Community Bank branch of Bendigo Bank, via its parent company Sunshine Coast Community Financial Services Limited (SCCFSL) offsets the program costs that’s professionally designed and based on extensive research. Niki Andrinopoulos, Life Education Cooloola-Noosa educator, said she can’t wait to welcome local school kids to the new high-tech mobile classroom.

“A lot of hard work went into raising the funds to buy the new van and we can’t thank our sponsors enough for their support,” Niki said.

As a primary school teacher of 26 years, Niki travelled to more than 22 schools from Gympie to Yandina in 2014 and around 8,000 children accessed the program. Each session is presented by educators who receive specialised training in the areas of health and drug education. On a local level, Life Education Cooloola Noosa was formed in 1995 and from humble beginnings with very little backing the program is now seen as an essential component of every child’s education.

Life Education classes also provide a free parent information session for each school. If you would like to know more information about the program, visit www.lifeeducation.org.au.

**SCHOOLWIDE POSITIVE BEHAVIOUR SUPPORT (SWPBS)**

**Promoting Positive Behaviour and Minimising Behaviour Issues**

Our school has a number of processes in place, both within and outside the classroom, to promote positive behaviours and minimise incidences of challenging student behaviour.

**Strategies include:-**

- defining and teaching explicit school-wide and classroom behavioural expectations;
- implementing mechanisms for recognising and rewarding positive behaviour;
- communicating consistent school-wide and classroom consequences for challenging behaviours;
- establishing school-wide and classroom processes for early identification of students experiencing academic and/or behaviour difficulties;
- developing school-wide and classroom processes for ongoing collection and use of data for decision-making;
- empowering students by creating multiple opportunities for them to take responsibility and be involved in decision-making;
- providing a physical environment conducive to positive behaviours and effective engagement in learning;
- utilising evidence-based interventions, monitored regularly for those students who face difficulty with learning and/or behaviours.

**In further support of these processes, our teachers:-**

- take into account the interests of students and integrate these into lessons, where possible;
- are mindful of how much time is spent on lesson introductions and instructions;
- use clear, consistent, step-by-step instructions to support students;
- minimise interruptions to learning activities.

Students who display positive behaviours at school are well placed to fulfil their potential with regards academic studies. At Tewantin State School, we are mindful of the role we play in...
ensure these positive student behaviours are encouraged and supported, every day.

CURRICULUM CORNER

INTERSCHOOL MATHS CHALLENGE FOR 2015

Tewantin State School hosted the Interschool Maths Challenge for 2015 in the last week of school. Neighbouring schools, including Noosaville, Pomona and Cooroy, brought their top mathematicians, to compete against Tewantin’s best.

75 students, from Year 4-6, represented their school, keen to solve individual, team and relay mathematical challenges, competing for an hour and half, attempting to answer forty-seven challenging questions. Congratulations to Tewantin teams for the following places: Year 4 team- 2nd; Year 5 team- 1st; Year 6 team- 3rd place.

Overall, Tewantin State School narrowly won the challenge. The shield is on display in the school foyer showcasing our academic excellence. Well done to all teams.

MATHS OLYMPIAD

The school hall was noisy with numeracy last term, hosting the school’s annual Maths Olympiad for Year 4-6 and Prep. – Year 3. Teachers nominated five students to represent their class for the event, keen to solve individual, team and relay mathematical challenges.

The Year 4-6 students battled it out for 2 hours, answering question after question, completing up to forty-seven questions in total. Teams from 4R, 5C1 and 6D1 were champions in their divisions.

The Prep.-Year 3 event took place on the last day of the term, where the best of the best mathematicians were selected from each class to complete complex challenges. Champion teams were PDE and PH (tie in first place), 1M, 2M and 3/2R.

The persistence, effort, range of strategies and communication between students justifying their answers and co-operation within teams was commendable. Congratulations to all students.

Ms Heidi Reitsma – Head of Curriculum

YEAR LEVEL FEATURES

Year 6

After 27 terms of schooling our Year 6 students are counting down the days, with an air of excitement mixed with a little trepidation, towards the climax of their primary schooling and their entry into various high schools next year, preceding this will be a final term to remember at Tewantin State School.

The curriculum will see the presentation of persuasive speeches and spirited debates in English, scientific investigations into matter in Science, historical Australian studies into immigration, research into famous Australians and computer generated presentations, to mention just a portion of this term’s studies.

As some classes finish off their lessons with visiting artist, Brenda Robertson, others are visiting our Life Education van for life lessons based on the effects of drugs and alcohol and the results of giving in to peer pressure. The hot weather means that swimming with Mr. Bandera is about to start for each class. This activity will be great for fitness as well as being a cooling relief.

From weeks 4 through 8 for five Wednesdays the children will be travelling to Noosa Main Beach for Surf Skills lessons from our friendly lifesavers.

Week 9 will see our traditional reward day for Year Six students with our visit to Wet ‘n’ Wild. Only students who have demonstrated appropriate behaviour through the year will be invited to attend this excursion.

In Week 10, students who are attending either of our two local high schools will be attending an Orientation Day at their upcoming school. On this day, students may travel, for free, on the high school buses that they may be travelling on next year.

Keep an ear out for our Talent Quest and possible School Disco around this time.

The culmination of your child’s schooling will be celebrated on Thursday, December 10th in our School Hall from approx. 9:00a.m. to 11:00a.m. In conjunction with local community organisations and our wonderful P. and C. Organisation, many awards, trophies, shields, certificates, scholarships, medals, bursaries and a great deal of money are awarded on this day. So mark this day in your diary, take the morning off work, charge up the batteries in your camera and join us for a wonderful ceremony.

Information and permission notes regarding all of the upcoming activities will be sent home to all parents at our earliest convenience as details become finalised. Before these arrive
Woolworths earned and learned stickers

Thanks to our students, parents, P. and C. Committee, teachers and community members for the fantastic support we received with the collection of the Earn and Learn stickers. The students of 6D, 2V and 2G were kept extremely busy sticking in over 43000 stickers, which were sent away in booklets just before the holidays. These stickers will earn the school reward points to purchase much needed school resources.

It is a mark of Tewantin State School’s enormous support within the community that our boxes at Woolies’ stores were always overflowing and many more booklets were sent or given to us by past parents, grandparents and supporters. Thanks to all who helped once again.

Mr. Andrew Dunning

STUDENT COUNCIL FUNDRAISER

A big thank-you to all the students and parents who supported our Free Dress Day / Crazy Hair Day on Thursday September 10th. There were certainly some crazy hairdos and plenty of colour on the day. Winners in each class were given certificates. Over $550 was raised with funds going towards The Starlight Foundation. Thanks everyone for your great support of this event.

Proceeds from previous fundraising efforts have been put towards sponsorship of Siphosethu Mbuyisa, an 8 year old student in Swaziland. Information on Siphosethu can be found on many classroom doors or ask your friendly Student Council rep. for more information.

MILO T20 BLAST SCHOOL CUP

Three teams of students from Years 4, 5 and 6 recently represented Tewantin State School at the T20 Interschool Cricket Competition. For some competitors it was their first try at a new sport while others were preparing for the upcoming cricket season. Congratulations to the following students who battled hard, played well and, most importantly, had fun on the day.

$21,000 is a fair old effort

On Sunday, 11th October, five students from Tewantin State School, Aidan Dirkzwager, Joel Shaw, Charlotte Dickson, Sophia Dickson and Caitlyn Taylor competed in the School Karate Championships at Nambour Christian College.

Caitlyn was school team captain for the day; all students did amazing and showed so much courage and spirit in representing Tewantin SS. Charlotte placed 2nd in 7 years Kumite and Caitlyn took out the championship 1st place in under 10’s Kumite. Caitlyn, Joel & Aiden competed as a team in Kata doing a synchronized display and placed 5th. Overall Tewantin State School walked away with twenty six points.

Kind regards, Mr. Andrew Dunning on behalf of Mrs. Wendy McIlroy, Mr. Tony McAnelly, Mr. Steve Perry
Well done to all these students and thank you for being great representatives of our school!

Please see attached our new tuckshop menu for Term 4. Copies of the new menu have been sent home with the youngest student in the family.

INVOICES

Throughout the year we have various excursions and incursions that we invoice to students. The way that our system generates invoices can be complex, so we have created an example (last year’s Year 6 and 7 graduation) with diagrams of where on the invoice you can find relevant information.

We would also like to emphasise the need when direct depositing to include the invoice number plus child’s surname. We hope this information is helpful, otherwise for further clarification phone 5335 8888.

BPOINT facility

BPOINT is an online payment system which provides schools with a secure and efficient method of collecting payments from parents and unlike BPAY, BPOINT allows payments to be made with an invoice number.
