PRINCIPAL’S REPORT

SCHOOL REVIEW

During the first week back this term a review was conducted by a team of three reviewers.

The review consisted of:

- a pre-review audit of the school’s performance data and other school information
- consultation with the school’s Assistant Regional Director

- interviews with staff, students, parents and community representatives, including:

  - Principal, Deputy Principal, Head of Curriculum (HOC) and acting Head of Differentiation (HOD)
  - Business Services Manager (BSM), administration staff and cleaners
  - Parents and Citizens’ Association (P&C) president, operations manager and secretary
  - Twenty classroom teachers and two specialist teachers
  - Five teacher aides
  - Two student leaders and twenty students
  - Chaplain, representatives from Lions Club, Bendigo Bank and the Returned and Services League
  - Twelve parents

Some of the key findings

The school leadership team and staff are committed to improving learning outcomes for all students in the school.

High expectations are expressed by the school community and reflect a school-wide commitment to purposeful, successful learning and teaching. The newly established leadership team and staff acknowledge the value of developing leadership density and collaborative planning in driving the school’s explicit improvement agenda.

The tone of the school is a respectful, positive and happy one.

Positive and productive relationships are evident throughout the school. The school provides a safe, respectful and caring learning environment as evidenced by the reduction in the number of major behavioural incidents over time, classroom observations and feedback from staff, parents and students. The school presents positively to the school community in both its physical appearance and welcoming culture. The Tewantin community speaks with great pride of the school’s reputation and its unique place within the district.

The school has established the priority of improving reading through a focus upon guided reading.

The school’s improvement agenda focused on reading is being led by the leadership team and is supported by regional support staff. The whole-school approach with consistent expectations and supported by coaching, observation and feedback is broadly seen to be strengthening student outcomes and the teaching of reading at the school.

KEY IMPROVEMENT STRATEGIES

- Continue the focus on reading through instructional and shared leadership and consider what a similar
approach to building numeracy pedagogy practices will look like.

- Collaboratively refine the data collection instruments and processes.
- Collaboratively define the pedagogy in relation to the teaching of reading. Identify how student achievement data will influence the teaching and learning episodes.

The findings and recommendations from the review will form part of the four year strategic plan for the school. I want to congratulate the whole school community for the role that you play to ensure Tewantin State School is an outstanding school. I am looking forward to working in partnership with you to continue to enhance student results and school culture. The Executive Summary is attached to the newsletter and can also be found on the school website.

WORLD TEACHERS DAY

This year, World Teachers' Day will be celebrated in Queensland on Friday 30 October. Great teaching can have a powerful effect on student performance. World Teachers' Day is an opportunity to acknowledge this. The P&C have kindly acknowledged this with our exceptional teaching staff by presenting them with a gift. Teachers will also be presented with a certificate of appreciation, poem and also thanked by myself and student leaders on parade. Tewantin teachers are highly committed, dedicated and passionate for every child to succeed and enjoy their educational experience. We are extremely lucky to have the teaching staff we do at Tewantin.

Toast to Teachers

There’s a lesson that awaits us when we get to where we’re going
Having walked the road we’re walking and to know the things we’re knowing
For amongst the gems uncovered, there is one that always features
We would not stand where we’re standing, if it wasn’t for our teachers
For every talent nurtured, every journey granted wings
Every step that takes us forward to the height of greater things
Every measure of success that marks the happiness we’ve earnt
It all stems back to resonate with something that we’ve learnt

When the medal is awarded or the pinnacle achieved
When the victory under pressure is supremely self-believed
In the rear vision mirror of that celebrating creature
Lies the hidden inspiration of at least one treasured teacher
And the modest grass roots hero at the coalface of success?
No accolade, no spotlight, but the win means nothing

less
For in any proud accomplishment where expertise is cast
There is bound to be the whisper of a mentor from the past
And though much of life’s forgotten as the fire place is embered
To recollect those classroom days, the good ones are remembered
From the blaze of brilliant blackboards to philosophies of sport
The fingerprints of wisdom that were passionately taught
Are engraved upon our psyche like a strand of DNA
Like an aura of encouragement that opened up the way
The moulding of a mantra in the casting of a spell
The knowledge and the power and the discipline as well!

And it rides with you forever as the boldest dreams are fed
As a comfortable companion on the path that lies ahead
To the blue of the horizon! To the river of our reaching!
With a true appreciation for the fruits of better teaching
For the gold of greater coaching on and off the field of battle
That reflects a value higher than the glint of charm or chattel
Yes the hour has ascended for the flock to praise its preacher
In a humble, heartfelt way that just says ‘thank you’ to its teacher
It’s amazing, when you think of it, how much we’ve come to know
What’s even more amazing is how far we’ve got to go
Then another gem uncovers as the realisation features
That the tide of life has shifted when the taught become the teachers!
Yes the mighty circle turns again as self belief is burnt
In the next brigade of dreamers through the gift of lessons learnt
And the future beckons brighter as, I guess, it always will...
So long as there’s a teacher to accommodate the thrill
And the hour has ascended for the flock to praise its preacher
In a humble, heartfelt way that just says ‘thank you’ to its teacher

CLASS PLACEMENT

In the coming weeks, we will complete the process of developing class lists for 2016. This process is always predicted for the beginning of the school year and confirmed on the eighth day of the new school year. To ensure, we are able to plan as accurately as possible, families are asked to assist with the following:

- Letting any families know, who are intending to have students enrol in any P-6 year level, to submit an enrolment form at the school office
- Letting the office staff know of any students who are transferring to other schools in 2016
- Letting the office staff know of any students who will not be present from the beginning of the school year (eg. for holidays). It is crucial that we know of all students who will be returning, but may be away at the beginning of the school year as they are also counted in our total enrolment and will contribute to maximising the number of teachers we are entitled to. This in turn, reduces the ratio of teachers to students across the school.

If parents have any specific requests regarding their child’s placement for 2016, please complete the attached request form and return to the school office by Friday 30 October. Parents are not able to request a specific teacher for their child. Students will be informed of their 2016 class in the final week of the school year.

2016 SCHOOL LEADERSHIP PROCESS

Throughout this term, our Year 5 students have the opportunity to be part of the 2016 Student Leader selection process. Tewantin State School has a rigorous process to select students into leadership positions due to the importance of the various roles. This process includes a written application, shortlisting by teachers and members of administration, interviews with a panel of staff members, presentation of a speech to all Year 5 students as well as voting by Year 5 students.

What makes an effective leader?

- Someone who genuinely cares about their school.
- Someone who is prepared to give up their own time for the good of others.
- A person who has great ideas.
- A person who likes to see ideas come to life.
- A person who makes a real effort to get along with others.
- Someone who can relate well to adults and students.
- A person who is happy to extend themselves.

Who is eligible to lead at TSS?

Next year at Tewantin we will have:

- Two School Captains from Year Six
- Two Vice Captains from Year Six.

- A leadership team made up of students from Year Six.
- Sports captains will be decided upon in week 7 this term.
- Students will break up into house teams and potential house leaders will give a short speech as to why they would be good at the job. Only those who have written a letter of application to Mrs Connors can apply.

The process and timelines

- Firstly, students will write a letter to Mrs Connors to apply for the position of either Sports Captain or School Captain by week 4 of Term 4.
- Secondly, classroom teachers will read all of the letters, shortlist students and forward those letters to Mrs Connors.
- Thirdly, Mrs Connors will read the letters of those people who are short listed by teachers and decide if they are suitable to interview.
- In week 5 term 4, eligible students will be interviewed – Tuesday 3rd November
- In week 7 successful students will present a speech to all Year 5’s in the hall, outlining why they would be suitable for a leadership position. This is like an extension of what you have already written in your letter to Mrs Connors – Wednesday 18th November
- Mrs Connors and class teachers will then get together to discuss interview results and finalise positions.
- Successful applicants will be told which position they will be taking on in the following weeks.
- In week 10, new school leaders will be announced on parade – Monday 7th December
- In week 10, students who want to be a Sports Captain or Sports Vice-Captain will present a speech – Wednesday 9th November. Sports Captains and Vice captains will be announced on parade in 2016.

What your letter should include

1. A brief introduction- who you are and how long you have attended the school and any other relevant points (family etc)
2. The reasons for which you would make a good leader at Tewantin School- use examples.
3. A statement of what you have already done or been part of which would help you to be an effective leader. For example, involvement with sporting associations, debating clubs etc.

STAFFING CHANGES

Please be aware of the following staff changes in the coming weeks:

Term 4

- Ms Belinda Messenger is on leave until 6 November, 2015 and Ms Minna Berry will be her replacement
LEARNING AWARDS

Each week on parade, our selected students are presented with Learning Awards for showing effective learning skills in the classroom. This year, our students who receive learning awards display the following skills:

- Trying their best at all classroom activities, no matter what their ability with those activities are
- Ensuring everyone else in the classroom is learning by displaying appropriate behavior
- Letting the teacher know if something is challenging and more assistance is needed
- Helping other students who may need assistance with their learning
- Students who have been presented with learning awards since the last newsletter include:

  4B1 - Dianne Ladewig
  4OT - Niamh Rudledge
  4P1 - Juen Geromet
  4R1 - Lexie Ladd
  5C1 - Josh Whitehill
  5C2 - Dylan Jones
  5P1 - Tamarlia Storch
  6/5M - Takara Van Wyk
  6D1 - Emily Jarrett
  6M1 - Zachary (surname withheld)
  6P1 - Lola Ottman

PARADES

During Term 4 parades will continue each Monday afternoon from 2pm until 2:30pm for all Prep to Year 6 students in the school hall. Most weeks will see class performances, a School Wide Positive Behaviour Support item as well as the recognition of various students. All parents are welcome and encouraged to attend. Although a schedule is outlined below for parade items taking place this term, it is best to keep in contact with your child’s teacher to confirm this as sometimes dates can be altered for a range of reasons:

ANNUAL TREE PLANTING DAY

During the middle session last Wednesday the 21st of October the 3 Prep classes, with the assistance of 6P, 6M and 6D took part in the annual Tree Planting Day. Each Prep child that was in attendance on this day got to plant their own endemic plant, with the help of a buddy from the senior classes. The plants were a variety of trees, shrubs, grasses, lilies, flowers and vines. All of these endemic plants will help attract a variety of animals into our school grounds as well as beautifying the school grounds. These trees also reduce the time needed for garden maintenance. Over the coming years as more tree planting days are held, other invasive, introduced plants will continue to be removed from the school grounds and replaced with local native plants.

This day would not be able to happen without the generosity of several organisations and businesses. Firstly a huge thank you to Coolum Community Native Nursery for their donation of 50 of the plants for the day and for supplying us with great quality stock. If people in the local community are interested in planting local natives to attract wildlife to their own garden give Coolum Community Native Nursery a call for advice and plants. The Noosa Council generously donated over 5 cubic metres of double grind mulch for one garden site which was excavated several weeks ago by Avalon Mini Excavations. Also a big thank you to Bunnings Noosaville for donating all the plant protector sleeves and the stakes to hold them in place. The support from all of these businesses is greatly appreciated by the school community.

With the help and support of Tony Waterhouse in some preparation work, the Prep teachers and the teachers from the buddy classes we had another successful Tree Planting Day. Over the coming weeks, the other two gardens that have not been mulched will be mulched as well.

Mr Ashley Keune – Teacher (Tree Planting Coordinator)

GRADUATION/MOVIE - Thursday, December 10th

On Thursday December 10th our Graduation Ceremony will take place in the school hall. A timetable will be sent home with all the details closer to the event. The Graduation Ceremony is always a fantastic event. We hope to see many of you there, so make sure that you book this morning into your timetable.

With great support from our local community groups, past students and our wonderful P. and C. Association, many awards, scholarships, bursaries, certificates, shields, trophies and a great deal of prizemoney will be distributed at the ceremony.

As a culminating activity of our Graduation, a photo presentation put to music is played. After previous ceremonies parents requested copies of this presentation. Children will need to prepay $5 for a CD-Rom copy of this presentation, which will be distributed on the day.

After the Graduation Ceremony there will be a morning tea, before children will travel to the Noosa Cinemas for the viewing of a movie which they are in the process of selecting. Our P. and C. Association graciously covers the cost of the movie but we do request $10 for the cost of the bus, even if students are not coming back on the return visit.

At the conclusion of the movie, at approximately 2:15p.m., children may, with written parental permission, make their own way from the theatre or, if required, catch the bus back to school.

Dress for the day is smart casual and at Tewantin State School we definitely like to keep this event low key with regards to parental costs. Clothes that your child would usually wear out to dinner are fine for our Graduation Ceremony. (No singlets/advertising/thongs etc.).

CLASS BREAK-UP PARTIES – Wednesday, December 9th

Individual class teachers will advise you closer to this date of their plans for their fun and exciting break-up parties that are held on this day.

STATE HIGH SCHOOL VISITS – Tuesday, December 8th

On this day, students who are attending either Sunshine Beach or Noosa District State High Schools will catch the buses they are to catch next year (for free) to their respective high schools for their Orientation Day. Tewantin State School uniforms are to be worn on this day. Students attending St. Theresa’s School had their orientation on Friday, October 23rd. Any students attending schools other than Sunshine Beach or Noosa District may still attend school if they wish but may attend other classes as our teachers are required to assist students at our State High Schools on the day.

WET AND WILD – Thursday, December 3rd

Our big end of year trip to Wet ‘n’ Wild waterpark departs school at approx...7:00a.m. on Thursday, December 3rd. The children will return at approximately 6:45p.m. and will need to be collected by their parents. The cost of the trip is $47. If
children have a Theme Park Pass they will not have to pay the cost of entry. The children may bring their own lunch and drink and may also bring some spending money. Full details will be sent home closer to this event.

The Wet and Wild Excursion is a reward for student’s good behaviour. As such, teachers have adopted a demerit system. Any inappropriate behaviour by students this term will incur demerit points. An accumulation of too many points will mean exclusion from this trip. If your child’s points are nearing a level close to exclusion then you will be contacted by phone.

**SURF SKILLS – Wednesday, October 28th through to Wednesday, November 25th**

Every Wednesday, for five consecutive weeks, the children have the opportunity to join our local lifesavers in an intensive Surf Skills Programme. Surf skills, beach awareness, resuscitation and fitness are all important skills to master as the holidays approach. With rising bus costs, the cost of this year’s programme will be $55. Details were recently sent out.

**OTHER ACTIVITIES**

A recent note has gone home about a scientific exhibition ‘Questacon’ which will be visiting our school on Friday, November 13th. Also our Talent Quest and Christmas Disco will take place in the last few weeks of term.

If you require any further information regarding any of the above events, please contact me at school.

I would like to take this opportunity to thank all of the wonderful students and parents I have encountered over the past year. I hope that of all you fondly remember your time at our great school. I wish you and your loved ones all the very best for the festive season and the years ahead. I hope to catch up with you all after graduation.

*Kind regards,*
*Mr. Andrew Dunning - Year 6 Teacher*

**SCHOOLWIDE POSITIVE BEHAVIOUR SUPPORT (SWPBS)**

**SWPBS – Positive Child Development**

Health and physical wellbeing are the basis for all learning and development. Such areas as eating habits, attitudes towards exercise and self-care routines build from the child’s earliest experiences.

One of the most important things children learn in the early years is about themselves – that is, they develop a picture of themselves that affects the ways they approach any situation, task, or relationship with another person. In other words, they develop a self-concept. An important part of that self-concept is the picture they have of themselves as learners: is it okay to be curious, to explore, to ask questions, to tackle problems, to try to figure things out, to experiment? Is it okay to try something and fail sometimes? Being a good learner means having a go, seeing yourself as capable, and taking reasonable risks.

There are many different ways to categorise learning in the early years, but whatever the categories, it is important for parents, and others who work and live with children, to keep in mind the broad range of kinds of learning that are important in the early years. Some important areas of learning are listed below:-

- use of the body, including hands
- respect for others
- how to relate to others, both adults and other children
- how to resolve conflict
- problem solving skills
- communication
- getting used to the things that make people different from each other
- self-knowledge - understanding of feelings, a sense of your own strengths, talents and uniqueness
- confidence
- a sense of belonging to family, community, culture
- how to look after and take care of yourself
- behaving in acceptable ways and controlling your own behaviour.

At Tewantin State School, we are appreciative of the support we receive from families as we work together to make sure your child’s early years set them up for success later in life.

MUSIC NEWS

BEGINNER MUSIC CAMP

Last week, Anthony Bandera, Trinity Conroy, Elliot Hill, Claudia Keith, Zane Kellet, Mia Jeffries, Amber Martin, Olivia McKenzie, Willow Mussman and Milani Rawlinson had the wonderful experience of attending an instrumental music camp. The three day camp at Mapleton was both a powerful learning experience for these students and a thoroughly enjoyable time.

We spent the days rehearsing music in either the string orchestra or concert band and after lunch we got to do some recreation activities which included swimming and orienteering. On the first night, we played some games and on the second night we got to watch the Minion movie.

Before we went home for a well-deserved sleep in our own beds, we performed a concert for the parents of the music that we had learnt at camp. For most of the young musicians, this was the first time that they performed in public. The concert was a great success and everyone was amazed at how we had improved over just three days.

I’d like to thank everyone who went to camp for making it an enjoyable experience and all of the instrumental teachers who attended.

INVOICES

Throughout the year we have various excursions and incursions that we invoice to students. The way that our system generates invoices can be complex, so we have created an example (last year’s Year 6 and 7 graduation) with diagrams of where on the invoice you can find relevant information.

We would also like to emphasise the need when direct depositing to include the invoice number plus child’s surname. We hope this information is helpful, otherwise for further clarification phone 5335 8888.

BPOINT facility

BPOINT is an online payment system which provides schools with a secure and efficient method of collecting payments from parents and unlike BPAY, BPOINT allows payments to be made with an invoice number.

It is aimed at Grade 5 to Grade 8 (9 to 13 years.)

Bunnings Halloween Fancy Dress Party

Friday 30th October 5-7pm
Come and join us for the spookiest night of the year! We will have a jumping castle, face painting, fairy floss and snow cones, Miss Donna on balloons. Also this year we will have our wonderful snake demonstration and for the first time we will have a photo booth so you can take home your photo strips capturing the event.

We will of course have creepy craft, gruesome games and zombie fingers and blood on the BBQ. Trick or treat and lollies galore.

This is a free event and bookings are essential as numbers are limited.

Prizes for best dressed girl, boy and family.

Noosa Marina

Noosa Marina would like to invite your students, staff and their families to join us again this year for Halloween.

We will be holding it on Saturday 31st October from 6pm - 8pm.

So please join us in your favourite Halloween gear and have a safe and fun night of trick and treating.

Sunshine Coast Youth Theatre Information Night

Sunshine Coast Youth Theatre are having a free information night for upcoming youth productions. They are a great opportunity for young talent on the Coast to get a chance to work on a project over the holidays to keep them entertained and engaged, and then to be able to give back to the community that supports them by providing entertainment as the end product.
Sunshine Coast Youth Theatre are really looking to encourage boys into these two productions this summer, especially in Peter Pan - so a great opportunity for any young guys who are interested to come along and see if they wish to be involved.
