PRINCIPAL’S REPORT

JUNIOR CHOIR AND AUSTRALIAN CITIZENSHIP CEREMONY

Heather Williams, Council’s Communication and Events Officer, and Colleen O’Shea Administration Officer from Noosa Council have extended their appreciation to Mr. John Beaufoy and our Junior Choir for their contribution to Noosa Council’s Australian Citizenship Ceremony last week.

According to Heather it was an honour, for all present, to see the children perform. The entertainment was top-notch, the children performed beautifully under John’s enthusiastic guidance and the crowd provided fantastic feedback. The choir managed to get an entire auditorium, including a Deputy Mayor and Member of State Parliament to act like gum trees and do animal actions (great kangaroos) to a song!

The children’s behaviour was reported as outstanding. They were noted as wonderful ambassadors for our school and were welcomed back to perform any time.

HAVE A SAFE AND HAPPY HOLIDAY

Thank you students, staff and families for a wonderful end to Term 3 at Tewantin State School. We have certainly finished the term on a high with events such as the Spring Fair, Maths Olympiad, Prep Play Session for 2017 Prep students and District Athletics. These events have showcased our talented students and staff and our strong community links. The tireless work of our P&C and volunteers who contribute to the Spring Fair success deserve special mention. Thank you to our P&C President Meredith Mason and her hard working team, Minna Berry, Nikki Bullock, Julie Schultz, Angie Marion, Lesley Richards, Megan Moon and Anita Anderson. Thank you also to all our teaching and non-teaching staff for a wonderful job on their individual stalls and dedication to our 2016 Spring Fair. Our schools grounds were presented immaculately – thank you Chris Penny and our cleaning staff Di, Liddy, Nonata, Linda and Lori.

Have a wonderful break. School resumes on Tuesday 4th October (Monday 3rd October is Labour Day Holiday). Please note that Monday 17th October is a Student Free Day.

Corrie Connors – Principal
WHY IT’S OK TO BE DIFFERENT

There is no such thing as normal.

Personality exists on a spectrum.

What you think is different is really your super power.

We all have traits — physical, intellectual, emotional, etc. — that make us different. Instead of hiding your differences, learn how to use them. Your shyness, for example, might make you a better listener. Your awkward laugh might make you endearing.

What makes you different makes you memorable.

When you try to fit into somebody else’s mould the results will be mediocre. Your true self, by its very nature, is captivating.

The world needs more authenticity.

In a world where conformity is the easiest option, authenticity is in high demand.

All great art was made by people who were different.

Every great creative breakthrough — artistic, musical, scientific, etc. requires a new way of thinking. Innovation does not happen within the status quo.

Celebrating your differences makes you happy.

Everyone has unique characteristics. Allowing ourselves to express these unique characteristics makes us feel good.

Standing out is how you find your tribe.

Many people who conform do so for fear of being lonely. But standing out will not make you lonely — far from it. By living honestly you will discover others who align to your interests and views.

Everything “normal” seems different at first.

New ideas, on first impressions appear to not fit in. What is odd now might not be understood today, but by tomorrow it could be the new norm.

When you own who you are the world will conform.

When you see yourself as capable, others will also see you as capable. When you see yourself as incapable, others will also see you as incapable. There is power in self-perception.

At Tewantin State School, we celebrate differences every day. Be proud of who you are.

Thank you and regards

Sheldon Boland - Deputy Principal Years P-3(A)

SCHOOL PARKING

Tewantin State School is in the enviable position of having parking available along all four school boundaries. While at peak times it is recognised that the school parking is understandably well utilised, it is not permissible for non-staff vehicles to enter the school grounds (including staff carparks) as this endangers the safety of students and school staff.

Thank you for abiding by this school safety requirement.

DEPUTY UPDATES

• Life Education Visits – starts week 1 in Term 4
• Term 4 Swimming – starts week 2 in Term 4

CURRICULUM CORNER

Teachers at Tewantin are currently involved in year level planning meetings. At these meetings all teachers on a year level are released from the classroom for a four hour period to meet and organise learning experiences and assessment tasks for the next school term. However, this is not the only focus of these meetings. During these meetings, teachers also examine student results in a particular area of focus, discuss student achievement and reflect on the data. They analyse
their class results, share what has worked well in their classes, determine areas of continued need and identify aspects that require addressing in the following term. This term the Prep to Year Three teachers have examined their reading data, while the Year Four to Six teachers have focussed on number concepts using a diagnostic task.

Number diagnostic tasks are administered in all classes at Tewantin from Year One to Year Six at the start and end of each term (in Term Four Prep students will also complete a diagnostic task). The Term Three data analysis and discussion undertaken by the Year Four to Six teachers has focussed on the data gathered from these tasks.

These tasks are a diagnostic tool developed by educational advisors in the North Coast Region. North Coast Region diagnostic tasks connect to the intent of the Australian Curriculum at each year level. After the tasks are given to the students at the beginning of the term, teachers determine areas that need to be focussed on throughout the term and particular student needs. They identify key concepts to be taught, activities to develop the concepts and related student learning goals. These tasks

• assist teachers in KNOWING their students
• reveal misconceptions in student understanding
• inform planning and assessment processes
• create a platform for differentiation.

At the end of the term the tasks are readministered as a post test, and pre and post test data is analysed to reveal student gains. This is just one example of how teachers at Tewantin continually monitor student learning and provide feedback that builds each student’s capacity to improve.

Mrs Kym Trewick – Head of Curriculum

QPARENTS

The QParents web and mobile application provides a more convenient, easier way for parents and legal guardians of Queensland state school students to interact with their child’s school. Parents will have secure, online access to their child’s student information, anytime, anywhere, through a smartphone, tablet or computer.

QParents allows parents to connect instantly with their child’s school to access and manage their child’s student information, including:

• Attendance and absence details, as well as the ability to notify the school of an absence
• Academic report cards

• Viewing unpaid invoice details, payment history, and making payments online
• Viewing and updating student details, including medical conditions and address
• Enrolment details

QParents will assist both staff and parents in sharing and responding to information in an efficient and effective way. It won’t replace the traditional ways you communicate with our school, but it will provide another way to communicate with us.

Benefits of QParents

Convenience and time saving for parents

• Parents can view or update their child’s details without having to contact the school.
• Secure 24/7 online access.
• Available anytime, anywhere — access QParents on your smart phone, tablet or computer.

Greater transparency of information

• Improves accountability between parents and schools by providing parents with timely access to their child’s information online.
• Allows parents to engage more deeply in their child’s schooling.
• Improved administration efficiencies for schools.
• Allows schools to streamline their administrative processes and cut down on printing.

What is a QParents Account Owner (QPAO)?

The school will nominate one parent or legal guardian for each student to be the QParents Account Owner (QPAO). QPAO will be able to register for QParents to access and manage the student’s information online. A student’s QPAO will be able to view the student’s information and submit requests to update some of the student’s details.

The parent nominated will generally be the parent that receives the student’s invoices. If you would like to amend this please contact the office.

The QPAO will also be able to invite other people (such as another parent or family member), to view the student’s information. Once invited, these people can register for QParents as “delegated viewers”. A delegated viewer can see the student’s details, but cannot make updates.

Registering for QParents

Parents of Prep students will receive an invitation email or letter from us containing your unique invitation code before the end of term. Other year levels will roll out throughout 2016 from our Junior school up….Year One, Year Two then Year Three etc.

Please ensure that we have your most current email address. Updates can be emailed to info@tewantinss@eq.edu.au – thank you.

Once your invitation has been received, simply follow the instructions in that email or letter to complete the QParents account registration process.
As part of the QParents registration process, you will be requested for a **Student EQ ID**. The easiest place to find your child’s **EQ ID** is next to their name on a school invoice.

If you do not want to register, you can just ignore the invitation and your child’s student information will not be available to anyone through QParents. Or, if you want another parent to be the QPAO, you can advise us and we will send them an invitation email with their own unique invitation code.

**Where does the information about my child come from?**

All of the information that is presented in QParents comes from the IT system that is used by all Queensland state schools. Schools will continue to manage student information in this system, and the information will be extracted and presented in QParents.

**Will my child's information be secure?**

Yes. QParents is a secure portal that meets strict industry standards. Only people with the right to access information about their child will be given an account; no one else.

If you don’t want to register for QParents, your account will not be created and your child’s information will not be made available through QParents.

**Help and contact information**

https://qparents.qld.edu.au/

For help, visit the link below or call 13 QGOV (13 74 68)

https://qparents.qld.edu.au/

**LEARNING AWARDS**

Each week on parade, our selected students are presented with Learning Awards for showing effective learning skills in the classroom. This year, our students who receive learning awards display the following skills:

- Trying their best at all classroom activities, no matter what their ability with those activities are
- Ensuring everyone else in the classroom is learning by displaying appropriate behaviour
- Letting the teacher know if something is challenging and more assistance is needed
- Helping other students who may need assistance with their learning

Students who have been presented with learning awards since the last newsletter include:

- Name withheld - PC
- Sophie Francis – PDM
- Sophie Hanley – PH
- Brioni (surname withheld) – PK
- Shaye Rees – 1B
- Oscar Ritson – 1OR
- Chloe McCarthy – 1W
- Oscar Black – 2G
- Charles Sweeney – 2
- Bayley Scott-Holland – 2V
- Dante Harrison & Bayley Rose – 3/2R

**STUDENT ACHIEVEMENT**

Here at Tewantin we love to celebrate the achievements of both our past and present students. If you know of a student who has an achievement to be celebrated, please e-mail the details to newsletter@tewantinss.ed.edu.au Please include any relevant photographs and a contact number in your email. We celebrate all kinds of achievements from sporting and community to academic and arts awards. Also if you find any students featured in the media for their achievements we would also love that brought to our attention.

**ADVANCED MUSIC CAMP**

Last week, out of hundreds of applicants, five students from Tewantin State School were selected to attend the Advanced Music Camp in Mapleton. The two night and three day program was successful and we improved our music talent through eight hours of daily practices. The people who went to the music camp were: Kalin Geromet (clarinet), Trinity Conroy (clarinet), Willow Mussmann (cello), Mia Jeffries (violin) and Hugh Brennan (double bass). There were many students from different schools. We all had the opportunity to make new friends as well as learn new music skills. On the last night at camp, there was a concert and all the community could watch the brilliant performance. We all had a great time at the Advanced Music Camp!

**YEAR LEVEL FEATURE – YEAR 5**

Blacksmiths, bushrangers and boats. Add Year 5s to this and what do you get? An exciting excursion to Caboolture Historical Village! The end of last term saw the Year 5s travel to
Caboolture as part of their History unit of study on the colonisation of Australia. Not only did we see a practical demonstration of the age old art of blacksmithing, we also saw replica models of the many boats that travelled to Australia bringing convicts and the first settlers. We were also held up by bushrangers as we travelled on the train and sieved for gems. We learnt how families lived in the late 1800s- sharing bath water and carrying out chores such as collecting firewood and emptying and cleaning the chamber pot!

Term 3 has seen us enjoy a visit to Star Lab, where we learnt more about our Solar System. This incursion gave the students a greater insight into the immense distances in space and the many different stars, planets and moons that are in orbit around the sun. At present we are gearing up for Spring Fair in amongst enjoying art lessons with the talented Brenda Roberton. She has been teaching the Year 5s how to use chalk pastels. So far the students have produced an Australian landscape and a still life, learning how to use the pastels to create the illusion of shade and light.

A highlight for many students has of course been the Athletics Carnival, held earlier this term. No doubt next term will see a similar level of excitement build when we start our Surf Skills at Noosa Main Beach and swimming lessons. By now the Math Olympiad would have been run and won. Some of our Year 5’s have signed up for the Playground Pals initiative- helping younger students in the playground during breaks. This is a great opportunity for our future leaders to put into practice their leadership skills. All in all its added up to a most exciting term. Well done Year 5s!

**SPORTS SHORTS**

**SUNSHINE COAST REGION REGIONAL TRACK AND FIELD TRIALS:**

11 students recently represented Noosa District at the SCR Regional Track and Field Trials at the Sunshine Coast University. The competition was very tough and it is a tremendous achievement just to compete at this level. Congratulations to all students who competed.

We especially congratulate Dianne Ladewig (2nd – 200m, 3rd – 100m), Jennifer Ladewig (3rd – High Jump) and Mia Jeffries (3rd – 800m) who were all selected in the Sunshine Coast Regional Track and Field Team for 2016. The girls will now prepare for the Qld State Championships to be held in Brisbane early next term (18/19th October). We wish you every success.

**SWIMMING LESSONS:**

School swimming lessons will commence next Term for all classes. The pool has recently undertaken new management and new staff will be employed to:

1. Conduct the Learn to Swim lessons for Prep and year 1 classes
2. Assist with year 2 - 6 classes
Detailed information letters were sent home last week about school swimming. Please pay the relevant costs at the school office by Friday 7th October (week 1 – Term 4).

**IMPORTANT DATES – TERM 4:**

- **Monday 10th October** – 1st day of swimming for Term 4 (week 2)
- **Wednesday 19/10** – Year 3 Surf Awareness Excursion to Noosa Heads SLSC (week 3)
- **Wednesday 26/10 to 23/11** – Year 5 & 6 Surf Skills Program at Noosa Heads SLSC (weeks 4-8)
- **Friday 25th November** – Year 5 Inter House Swimming Carnival (week 8)
- **Monday 28th November** – Inter-school Surf Challenge (week 9)
- **Tuesday 29th November** – Year 4 Inter House Swimming Carnival (week 9)
- **Thursday 1st December** – Year 6 Inter House Swimming Carnival (week 9)

**Dan Bandera - PE Teacher**

**STAFFING CHANGES**

Please be aware of the following staff changes in the coming weeks:

**Term 4**

- Marnie Hollindale will be on leave from 04-10-16 to 10-10-16; her replacement will be Ann Stevens.
- John Beafoy will be on leave from 04-10-16 to 20-10-16; his replacement will be Rosalie Reynolds.
- Minna Berry will be on leave from 04-10-16 to 10-10-16; her replacement will be Jayne Kanters.
- Jenny Munro will be on leave from 04-10-16 to 13-10-16; her replacement will be Lesley Whitehouse.
- Wendy McIlroy will be on leave from 04-10-16 to 14-10-16; her replacement will be Caroline Richardson.
- Ann Tummon will be on leave from 04-10-16 to 14-10-16; her replacement will be Ray Lally.

*Please be advised that dates are continually being added and that dates and times are subject to change. Please check the website or QSchool app for up to date information.

**VACANT CLEANER POSITION**

Tewantin State School has a permanent 22.75 hours/week cleaning position available. The application package will be available on our webpage below and from the front office.

http://www.tewantinss.eq.edu.au

**CHAPLAIN’S CORNER**

This Term is coming to a close and the Girls Group is winding up with a session on skin/nails/hair care. We have had such a great time getting to know one another, learning how to encourage each other and be confident in who we are.

In the After School Group we have learnt some more healthy eating tips and have cooked wholemeal banana berry muffins. Also we have enjoyed tapping into our creativity by painting and varnishing pots and then planting petunias and violas.
This week we will be talking about the importance of quiet moments and the value of writing down our thoughts on paper. We will decorate and make our own journals. Lots of fun!

Breakfast Club has been promoting fruit as a good option for breakfast and we enjoy fresh slinky apples on occasion. Our fantastic sponsors for Breaky Club are Alpha and Omega Opp Shop and REAP. Thanks so much to them, and also our fabulous, reliable volunteers!

Supa Club has enjoyed the help again of Pastor Simon Keith, and we have talked about how God is very forgiving when we do wrong things.

Have a great holiday. Enjoy the break from the regular routine!

**Quote of the Day:**

"Hope is being able to see that there is light despite all of the darkness"

(Desmond Tutu)

**Lynda Oakley - Chaplain**

**TEWANTIN STATE SCHOOL’S ABSENCE REPORTING PHONE NUMBER**

PLEASE USE THE PHONE NUMBER - 5335 8866 FOR REPORTING STUDENT ABSENCES.

Please call the school attendance line for all absences. In the message please leave the name of the student/s, the day or date of absence, and the reason for the absence. Thank you for your courtesy.

**EXEMPTION FROM COMPULSORY SCHOOLING**

Please be aware that any parents of students who are absent from school for 10 or more consecutive days must complete a form to exempt them from compulsory schooling for this period of time. The most common reason to complete this form is when families are travelling during the school term and sometimes it also includes students who have a medical condition, supported by a medical certificate. Forms can be collected from the school office and are also attached to the newsletter.

**UNIFORM SHOP**

Please be advised that the uniform shop will be open the following times in 2016:

Wednesday mornings - 8:00-9:00am
COMMUNITY NEWS

SBSHS PARENTS GROUP

COFFEE MORNING

Dear Grade 6 parents,
You are invited to a special coffee morning just for Grade 6 parents.
Join Karen Goodall (Deputy Principal Junior Secondary) & Sharon Steele (Senior Teacher and Parent) for an informal gathering of parents.
Learn more about what high school will look like for your child next year... and you as a parent.
Ask all of those little questions you really want to know more about!

 ENVO Café—Sunshine Beach
Thursday 6th October

Free information
on the National Disability Insurance Scheme (NDIS)

Pave the Way

Pave the Way is offering free information sessions and one-on-one conversations to:
• individuals with disability, families and carers
• community groups
• Government/Non-Government agencies

Details
To raise community awareness about the NDIS and ensure people with disability, their families and carers are ready for the change and opportunities the scheme will bring,
Mamre’s Pave the Way program is offering free information and resources to participants in North Queensland, Far North Queensland and the North Coast about the NDIS.

What do we offer?
• Pave the Way is offering free information sessions and one-on-one conversations to:
  • individuals with disability, families and carers
  • community groups
  • Government/Non-Government agencies

Contact Us
Phone our office: (07) 2591 5500
Toll free call: 1300 554 402
Visit our website: www.pavetheway.org.au
Email: pavetheway@nemac.org.au

Should you require supplementary information for auditory, visual, interpreter or cultural needs, please let us know and we will endeavour to assist you.

“Pave the Way” project was fresh and new with a completely different audience and the idea was that the end of it was, “especially with the elderly and those with physical limitations to whatever degree. I can’t help but see the possibilities that could be available to him and open up his way of thinking about his life and circumstances.”
— Michelle, 2012

NDIS: People-Participation Australia, funded by the Department of Communities, Child Safety and Disability Services.
There are over 44,000 young people under the age of 25 without a home tonight."

The Couch Project is The Salvation Army’s response to youth homelessness. By supporting and sponsoring your kid/s to sleep on the couch on Friday 16th September, you can join the fight against youth homelessness in Australia.

Together, we can give food, blankets, counselling and support to young people to get them out of danger and back on their feet. For more info, go to: 

SEPTEMBER
3, 10, 17 & 24
SEAHORSE NIPPERS TIME

Noosa Heads Surf Lifesaving Club is delighted to invite children with special needs to join our next Seahorse Nipper Program in September 2016. For further information or to register your child, please phone club administration on 0448 0910 or email the following: nippers@noosasurfclub.com.au

Online Membership will be required to be completed for all new participants.
Can Saver Plus assist you with school costs?

Join Saver Plus and match your savings, dollar for dollar, up to $500 for educational costs including:

- school uniforms and textbooks
- computers, laptops and tablets
- excursions and camps
- sports equipment, uniforms and lessons
- music tuition and instrument hire.

You may be eligible if you have a Health Care or Pensioner Concession Card, are at least 18 years old, have some regular income from work (you or your partner), such as full-time, part-time, casual or seasonal work, and have a child at school or study yourself.

Contact Denise Clark, your local Saver Plus Coordinator:
(07) 5441 1682 / 0488 291 563
or denise.clark@thesmithfamily.com.au

Saver Plus was developed by 4W2 and the Brotherhood of St Laurence and is delivered across the Sunshine Coast by The Smith Family.
The program is funded by 4W2 and the Australian Government.

CHILDREN WITH POTENTIAL
Parent and Children’s Conference

The Lakes College - 20 & 21 September 2016

This two-day conference features speakers for children and their parents followed by exciting children’s workshops and seminars for parents.

A range of workshops will be on offer, with challenging activities pitched at abilities rather than age. Workshops include Build-a-Bug, Art in the 21st Century, Tournament of Minds, Calligraphy, Orienteering, Drama Claymation, First Aid, Meditation, Bridge, Latin, Insect Pinning, Cooking for a Tea Party, World of Flight, plus many more.

The Children With Potential conference seeks to give children and their parents insights and self knowledge of lasting value. This is a wonderful opportunity for students to meet other children of like mind and to establish new friendships. For further information visit www.thelakescollege.com.au.

REGISTER ONLINE AT NCWQ.ORG.AU

Hosted by The Lakes College and the National Council of Women of Queensland Inc.
