Dear Parents and Caregivers,

This form is designed to ensure your child has a safe camping experience. As a school we need up-to-date information on **dietary requirements** and **medical conditions**.

Thank you to those families who have provided information already to the school - this is a double check to ensure the safety and wellbeing of the students.

Therefore, please list any **dietary requirements** below. *Please only list foods that cause an allergic reaction – this form is not for food preferences, for example: my son doesn't really like mushrooms.

Please list any medication that your child requires. This medicine must be a prescription that is labelled correctly. We will need a clear medicine regime clearly written including, dosage and timing. We will not accept Panadol, Throat Lozenges etc.

*If your child does need medicine, this will need to be handed into the office by **2 May**.

Kind regards

The Year Six Team
