

Student Resource Scheme Annual Parent Information Letter

Dear Parents/Guardians,

This letter contains important information about the **2024 Student Resource Scheme (SRS)** including how the scheme operates and the annual participation fee.

The Queensland Government supports students' education by providing funding for:

- Instruction, e.g. teachers
- Facilities, e.g. buildings, amenities, furniture
- Administration, e.g. staffing and resources to administer the operations of the school.

Funding does not extend to individual student resources such as textbooks, computer or musical equipment for personal use, and many items used/consumed by the student in the classroom. Supply of these items is the responsibility of parents.

To provide parents with a cost effective alternative to purchasing textbooks and/or resources elsewhere, Tewantin State School will operate an SRS for 2024.

The scheme ensures that students have the resources required for them to engage with the curriculum for their education, and saves parents time and money in sourcing the prescribed materials elsewhere. Savings are gained through the school's bulk purchasing practices and hiring arrangements. The scheme is not used to raise funds for other purposes, and revenue collected through the scheme is applied only to the resources and operation of the scheme.

The scheme's operation, resource inclusions and participation fees were approved by the school's P&C Association at the meeting held on 18/10/2023.

SRS Participation

The objective of the scheme is to provide a convenient and cost-effective way for students to access the educational resources necessary to enhance their learning experience at school. The Department encourages parents to participate in the scheme. Participation in the SRS is optional, and no obligation is placed on a parent to participate. Participation is for the duration of your child's enrolment at the school.

Student is new to the school.....

Parents are required to complete the Student Resource Scheme 2024 Consent Request on QParents when joining the scheme for the first time. If no Consent Request is completed by 31st January 2024, the school will take the view that the parent has chosen to opt out of the SRS. The parent is then required to provide the educational resources listed in the SRS for their child by the start of the school year. A parent can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.

Continuing student of the school.....

A parent's participation or non-participation in the scheme will continue as per their previously completed Participation Agreement Form. A parent can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.

If a parent has opted out of the scheme the parent is required to provide the educational resources listed in the SRS for their child by the start of the school year.

Frequently asked questions

1. Does the Student Resource Scheme include my child's stationery requirements?

Parents are required to provide resources in two ways – 1) The Book List and 2) The Student Resource Scheme. All students will supply their own personal stationery items as outlined in the year level Book List. Information about the Book Lists will be emailed or can be found on our website.

2. Isn't education free?

All schools operate within the policy and guidelines of the Department of Education and in accordance with section 51 of the Education (General Provisions) Act 2006. DoE encourages schools to operate a scheme as a service to parents. Whilst schools receive funding from the government to operate the school, student resource expenses extend beyond the budget. Parents therefore are asked to support their child's learning by either providing the resource item itself or participating in the scheme.

3. Why Pay 2024 Book list and Student Resource Scheme Fees by January 2024?

We ask for all parent/carers to pay fees before the start of the 2024 school year, so that student learning materials and books may be purchased early and discounts secured, through early payment and bulk ordering. Participants will then have the opportunity of accessing their resources when they commence school.

4. Do I have to participate in the Student resource Scheme?

Participation in the scheme is voluntary. If parents choose not to participate in the Scheme they will be required to provide the resources listed in the scheme for their child when required throughout the year. A list for your child's year level is available for the office.

5. What happens if I am experiencing financial difficulty?

Anyone experiencing financial difficulty at this time and wishing to pay the Student Resource Scheme over an extended time period should phone the school and speak with our Business Manager on 5335 8888. It is our intention to encourage all families to join the Scheme and enjoy its benefits.

Please contact the school to make an appointment with the Principal or Business Manager should you have any questions regarding the Scheme.

6. Do I need to complete a form?

- Participation form - You only need to complete a participation form if you are new to the school and did not sign on enrolment.
- Payment form – You only need to sign a payment form if you would like to pay in instalments or discuss a plan with our office.
