

Tewantin State School Uniform Policy

The current Education Act enables schools to enforce a dress code and full school uniform is the expectation for all our students. The wearing of full school uniform conveys a sense of self pride in students and in their school. It also fosters a sense of belonging and promotes the safety of our students through easy identification. With little or no exception our students present in full school uniform every day and are a credit to themselves, their parents and their school. The Student Uniform Policy has been endorsed by the Tewantin State School P&C and seeks full support from parents to ensure that their child is dressed every day in full school uniform.

The Tewantin State School uniform is as follows:
