### What's happening

- Learning Continuity Planning**  
Supporting teachers and students to connect and continue learning during school closures or disruptions. Learning continuity planning has information you need for moving your classroom online and working with school colleagues.
- Departmental websites and applications issues with Chrome v80**  
Staff, students and the public using un-managed devices (e.g. non-MOE, BYOx and personal) will have issues accessing some departmental applications and websites using Google Chrome v80. The department is working with Google to resolve these browser issues introduced by the new version upgrade.
- My Language Matters**  
As part of Indigenous English as an additional language or dialect (IEAL/D), view the video My Language Matters which raises awareness of the unique language challenges some Aboriginal and Torres Strait Islander students face.
