

STUDENT RESOURCE SCHEME INFORMATION BOOKLET

2021

The following document provides information on our **STUDENT RESOURCE SCHEME (SRS)** for 2021.

Tewantin State School operates an SRS to assist parents with the cost and resourcing of additional educational requirements that provide enhanced learning opportunities. The scheme is **NOT** used to raise funds for other purposes. The scheme is supported and approved by the school's P & C Association and operates under the policy and guidelines of The Department of Education (DoE).

The SRS is voluntary, however, please be aware that materials acquired under this scheme are not funded by school grants. The purpose of the scheme is to provide the Parent/Caregiver with a cost effective and more economical alternative to purchasing required resources and consumables through reduced prices gained from the school's bulk purchasing processes. **If you do not wish to join the scheme you are responsible for providing your child with the year level class requisites as detailed in the SRS booklet.**

In return for a contribution of **\$70.00** per year, some examples of what your child will receive (but not limited to) include the following items:

- Class sets of workbooks, worksheets, reference materials and teacher prepared booklets
- Class sets of writing and drawing materials; chalk, stationery, project materials, whiteboards
- Materials where the instruction is extended through providing practical learning experiences involving consumables such as; cooking ingredients, art and science materials.
- Art materials such as paint, brushes, clay and other specialist supplies
- ICT equipment hire of specialised equipment such as drones, 3D printers and robotic kits
- Student reference materials such as books and software
- Annual subscriptions to online programs - Mathletics, Reading Eggs / Reading Express & Education Queensland Online Library.
- Classroom consumables

The **SRS agreement form** must be completed for **ALL** enrolled students indicating participation or non-participation in the scheme. If you are **NOT participating it will be your responsibility to purchase all the resources provided by this scheme.** By indicating participation on the form you are agreeing to participate for the duration of your child's enrolment and pay the annual participation fee (invoices will be automatically issued). If you wish to opt out of the scheme in any year simply complete a new participation agreement form before the invoice due date.

Thank you in anticipation of your contribution towards this valuable scheme.

Dear Parents/Carers

Parents are asked to provide resources for their child/children in two ways.

- 1 The Book List and
- 2 The Student Resource Scheme.

Our Student Resource Scheme will operate once again during 2021 offering parents who elect to participate in the scheme an economical alternative to the purchase of learning resources for their child throughout the school year.

The scheme is supported by the P&C and managed by the school and operates within the policy and guidelines of the Department of Education (DoE) and in accordance with section 51 of the Education (General Provisions) Act 2006. DoE encourages schools to operate a scheme as a service to parents.

Participation in the scheme is voluntary and those Parents/Carers who join the scheme are asked to pay a fee in return for their child's access to materials and resources managed by the scheme. **Parents/carers who do not wish to participate in the scheme are responsible for providing their child with all the items that would otherwise be provided to the student by the scheme as detailed in the *Year Level Requirements List*.**

Under the scheme, books and resource materials are purchased in advance to secure discounts through bulk buying and to ensure students have the resources to start the year/term.

The provision of this scheme ensures that well resourced learning by our students remains our key focus. The ongoing provision of high quality resources to ensure student outcomes are maximised is an annual budgeting challenge. This scheme creates an opportunity for every family to support the learning of their children in the most economical fashion.

I look forward to your support to ensure every student starts day one in 2021 prepared and resourced for the academic challenges of the new year.

Regards

Rob Jennings
Principal

Student Resource Scheme Terms and Conditions 2021

This package will assist you in making an informed decision regarding your financial commitments and ensure your student is equipped to commence school in 2021. After reading the information below, please complete the Student Resource Scheme Application Form and submit to the school office.

BOOK LIST ITEMS

These are to be purchased by individual parents /carers prior to the first day of school in 2021. An option to purchase Book List packs is arranged by the P&C Association for your convenience. Parents have the option of ordering a Book List Pack from the P&C's preferred supplier or collecting a list and purchasing the items independently.

STUDENT RESOURCE SCHEME

Parents/Carers of students are directly responsible for providing stationery and other items for their children whilst attending school and these are itemised on the Book List. Additionally, the Student Resource Scheme enables parents to enter into an arrangement with the school for the use of books and other equipment (including consumables) in return for a specified fee. **The scheme is designed to reduce the costs of parents supplying these resources themselves.**

The Tewanin State School Student Resource Scheme operates under the policy and guidelines of DoE (FNM-PR-018: Student Resource Scheme).

The fee is approved and supported by the P&C Association and is managed by the school. The Scheme is voluntary. **However**, please be aware that books, materials and consumables required under this scheme are *not funded by education grants to the school*. Therefore, if you do not wish to join the scheme **you are still responsible for providing your child with the items that would otherwise have been provided by the scheme as detailed in the year level requirements list and the list below**, to enable your child to engage with the curriculum.

Parents wishing to join the scheme for the duration of their child's enrolment will sign the Participation Agreement Form and pay the annual fee. Parents not wishing to participate in the scheme are also required sign the Participation Agreement Form indicating their preference.

- The scheme is not used to raise funds for other purposes, and revenue collected through the scheme is applied only to the operation of the scheme.
- The scheme ensures that students have the required resources for their education when they commence school.

Student Resource Scheme

Frequently Asked Questions

1. Does the Student Resource Scheme include my child's stationery requirements?

Parents are required to provide resources in two ways – 1) The Book List and 2) The Student Resource Scheme. All students will supply their own personal stationery items as outlined in the year level Book List.

2. Isn't education free?

All schools operate within the policy and guidelines of the Department of Education and in accordance with section 51 of the Education (General Provisions) Act 2006. DoE encourages schools to operate a scheme as a service to parents. Whilst schools receive funding from the government to operate the school, student resource expenses extend beyond the budget. Parents therefore are asked to support their child's learning by either providing the resource item itself or participating in the scheme.

3. Why Pay 2021 Book and Student Resource Scheme Fees by January 2021?

We ask for all parent/carers to pay fees at the start of the 2021 school year, so that student learning materials and books may be purchased early and discounts secured, through early payment and bulk ordering. All students will then have the opportunity of accessing their resources when they commence school.

4. Do I have to participate in the Student Resource Scheme?

Participation in the scheme is voluntary. If parents choose not to participate in the Scheme they will be required to provide the resources listed in the scheme for their child when required throughout the year. A list for your child's year level is available for the office.

5. What happens if I am experiencing financial difficulty?

Anyone experiencing financial difficulty at this time and wishing to pay the Student Resource Scheme over an extended time period should phone the school and speak with our Business Manager on 5335 8888. It is our intention to encourage all families to join the Scheme and enjoy its benefits.

Please contact the school to make an appointment with the Principal or Business Manager should you have any questions regarding the Scheme.

35. The replacement cost of any resource will be up to the maximum value (subject to depreciation where appropriate) of the acquisition cost to the school, as detailed on the annual SRS information provided to parents.
36. Schools may initiate debt recovery action in accordance with the debt management procedure where a parent has an outstanding debt.
